

NOTICE OF UPCOMING TEMPORARY TRAFFIC MANAGEMENT ON OAKHANGER ROAD, BORDON

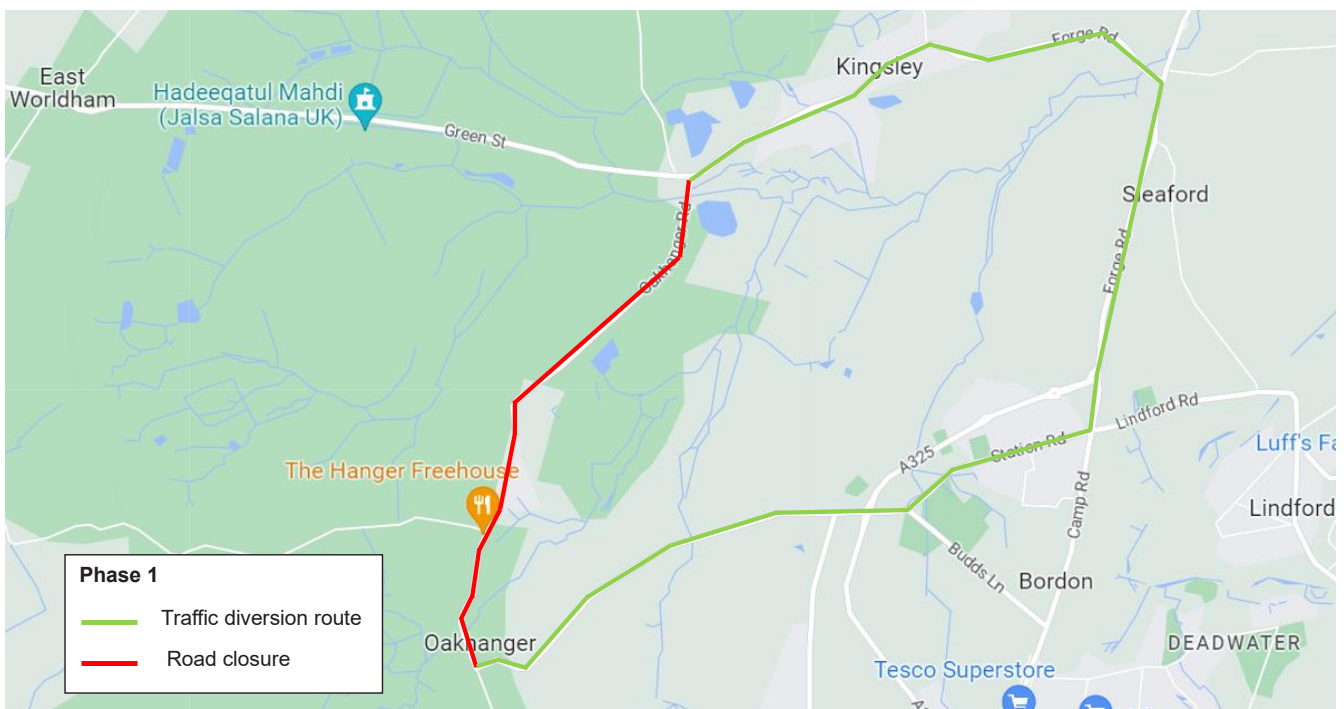

- Starting on 1 May 2023, we will replace 18km of existing cabling to provide a modern and more resilient network.

Works planned for Oakhanger Road

To conduct this work safely, a road closure on Oakhanger Road will be in place on or shortly after 1 May. The works are expected to take up to eight months and be completed by 24 December 2023.

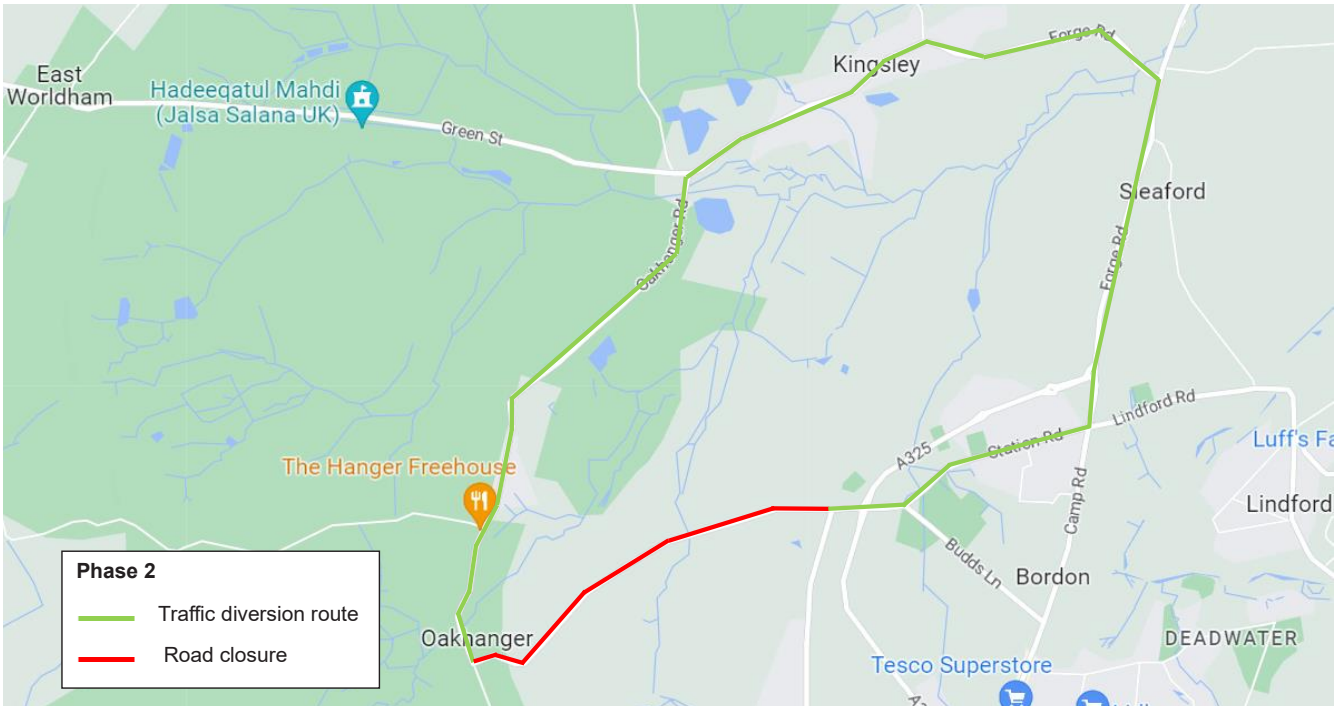

southerly direction. Diversion and road closure signs will be clearly placed at the junction with Forge Road to the North, and the junction with Hogmoor Road to the South.

The road will be closed in two phases, starting from the junction with Forge Road and works will continue in a

Whilst we are carrying out this work, we'll aim to keep any noise and disruption to a minimum. See maps below for the location of the works.

This schedule is subject to change depending on site and weather conditions.

ABOUT US

We are the electricity Distribution Network Operator (DNO) responsible for delivering power to over 3.8 million homes and businesses across central southern England and the north of Scotland.

We serve some of the most diverse and unique geographies across the UK, and keep customers and communities connected whilst developing the flexible electricity network vital to achieving net zero.
