This is the first stage of the application process and a redacted version crossing out addresses and date of birth will be circulated before the meeting to Members, asking them to delete it after the meeting. The existing Members of the Council will vote on the applications and should there be more than two applicants for the Parish Council vacancy in Selborne, will be using the using the proportional voting method. If there is only one applicant for the vacancy, then the Council must decide as to whether they consider the applicant suitable and would have to have a very good reason not to appoint.

Please send your applications either marked Private and Confidential to the Parish Council address as above or use the e mail above which only the Parish Clerk has access to no later than 12 noon on Monday 27th April 2025. The co-option of a Councillor at the Parish Council will take place at the next Parish Council meeting due to be held on Wednesday 29th April 2025, to which it would be beneficial if you could attend. More details about the Parish Council Meeting will be sent to applicants nearer the time.
