Absent: Cllr M Irwin-Brown, Cllr W Megeney

22.223 Apologies for Absence: Apologies were accepted from Cllrs Irwin-Brown, Megeney, Parker, Roberts and Turner. Cllr Masson had sent apologies that he might arrive late to the meeting.

22.224 Chairman's Announcements:

A spam email purporting to be from Cllr Masson had been received by several Councillors. It was advised that all Councillors should be vigilant, check the address of emails received and if in any doubt not to open any links or attachments. Councillors should report any suspect emails to the Clerk.

22.225 Declarations of Interests. Cllr Clay declared an "other" interest in grant application from Selborne PCC (see minute 22.233) and would leave the meeting whilst the item was discussed. Cllr Clay declared that she owned the field adjacent to the property under planning application SDNP/22/05446/LIS (see minute 22.231) and elected to abstain from the vote on the decision on the application.

22.226 Approval of Minutes

It was **RESOLVED** to approve the minutes of the Parish Council meeting on December 2022 (proposed by Cllr Bennett and seconded by Cllr Grosvenor with all voting in favour).

The meeting was adjourned for public questions

22.227 Public Questions

A resident complained that he had not received any information regarding the proposed traffic calming (the Clerk replied that he had been sent information on 20th December 2022) and considered that the Phase I CFI did not address the key issue of pedestrian safety due to the narrow pavements through the village.

A second resident expressed concern that the draft CFI design had not been shared with the Speedwatch Team before the meeting. Two Councillors advised that this had been the intention. The Clerk replied that she had already received Speedwatch comments on the design via one of the Councillors.

The second resident reported that a meeting had been held between Speedwatch and Cllr Grosvenor earlier in the week and there was considered to be a good opportunity for collaboration between the Speedwatch and VAS traffic calming efforts.

The second resident asked that the Council considered carrying out a new Housing Needs survey to inform any future planning applications.

The meeting was reconvened

22.228 Action List. The updated action list was noted.

Cllr Masson arrived at the meeting.

Cllr Ashcroft requested that the planned tree works were completed by the end of February. Cllr O'Donnell advised that no water was pouring through the spout of the Lionsmouth but was overflowing around the sides.

Cllr Masson chaired the meeting from this point onwards

22.229 To note reports received from Council representatives on Working Groups/outside bodies.

The Climate Working Group was organizing a litter pick on the 18th March. A request was made to include Sotherington Lane but comment was made that road safety considerations would limit which parts of the lane could be litter picked. Cllr Ashcroft asked that more Councillors took part in the event.

22.235 To Consider Proposed Design for Phase 1 of the Community Funded Initiative Traffic Calming for Selborne Village

This item had been discussed earlier in the meeting after item 22.231. Cllr Clay noted that two village walk-through surveys had been carried out in early 2022 with a residents walk, including Speedwatch, in February 2022 (discussion of the results carried out at the March Council meeting) followed by a walk through with Hampshire County Council Safer Roads Officer in April. The latter meeting was to discuss what could be included under the CFI type works, what was the responsibility of HCC and what was the responsibility of householders. HCC divided the CFI works into two phases with the first phase under discussion including lining, signing and village gates works with more engineering components to be included in Phase 2. Cllrs Clay and Parker had walked through the village to review the CFI phase 1 proposals and had made detailed annotations on the plans. Cllrs Ashcroft and Megeney had then reviewed the designs along with the notes made by Cllrs Clay and Parker. It was agreed that more information on the proposed components of the Phase 2 works was needed. Councillors reviewed the Phase 1 proposals in detail at the meeting with input from a member of Speedwatch. The results of this discussion have been recorded in detail on the design drawings as a separate document (*doc name to be inserted here*). A small group of Councillors and the Clerk would meet with the HCC design engineer on Thursday 26th January to discuss the Council review of the proposals.

- 22.236 To Agree Date for an Extraordinary Meeting to Decide on the New Children’s Play Area at the Selborne Recreation Ground**

- 22.237 To consider Re-use/disposal of the Existing Play Equipment at the Children’s Play Area at the Selborne Recreation Ground**
It was agreed to defer decision on this item until further information had been obtained e.g. with respect to any liability and waste disposal “Duty of Care” on change of ownership of the re-usable parts of the existing children’s play equipment at the Selborne Recreation Ground.
- 22.238 To Consider Complaints Regarding Damage to Vehicles Hitting the Bollard Located Adjacent to the Vehicular Access to the Old Bakehouse Courtyard, the Plestor, Selborne**

VAT to re-set the two bollards between the entrance to the pottery and the entrance to the Old Vicarage (proposed by Cllr Clay and seconded by Cllr Bennett with all voting in favour. Cllr McMeekan abstained). Cllr Clay asked that great care was taken with the ragstone.
- 22.239 To Consider Complaints Regarding Damage to Windows of Listed Property by Loose Stones on the Plestor, Selborne**
Decision on this item was deferred to enable further information to be obtained including feedback from the Conservation Officer.

It was **RESOLVED** to submit the response of no comment (proposed by Cllr McMeekan and seconded by Cllr O’Donnell with all voting in favour).
- 22.241 District Councillor Report**
Government was discussing further changes to Planning Regulations, some were of which were radical and which were potential complications for the review of the District Local Plan. The District (and Parish) Council elections would take place in May. Residents would now be required to produce photo i.d. when voting. As the election date approached less information would be issued by the District Council to avoid conferring any unfair advantage to individual Councillors.
- 22.242 Date of next meeting:** The next meeting would be on Wednesday 25th January at 8.15pm in Selborne Village Hall. The provisional date of the next Planning Committee meeting was Wednesday 1st February.

The meeting closed at about 9.58pm
